RED SPA

Dear Mayfair,

I wouldn't say I'm 'metrosexual' or less macho than any other guy I know, but I do like to look after myself. That includes having the occasional facial and massage – hell, I've even tried having a manicure once! And it obviously works as I've never had any problem getting a girlfriend, or getting laid, and the ladies seem to appreciate that my skin is smooth and I have an all-over tan.

I don't do it very often, but if I've had a bit of a hard time at work, I'll sometimes treat myself to a few nights away to unwind and, if I spot somewhere that takes my fancy or that's on offer, I've been known to book somewhere on the spur of the moment. Which is how I found myself on a spa weekend at a grand old house in Harrogate on my own, a few months ago.

I'd just had an intense few weeks at work, finishing a project for a new client and I was more than a little shattered. Whereas most of my mates would get hammered to blow the cobwebs out, I decided I needed a few days to myself to recharge. It was a pretty sweet break – I found it on a last minute site, so it was 30% less than the full price – in a gorgeous part of the world and, as I have no qualms about holidaying on my own, I knew I'd get the peace and quiet I so desperately needed.

I arrived quite late on the Friday night and just had time for some supper on my own before necking a few cocktails at the bar and calling it a night. I had booked a few spa treatments for the following day – after all, if you're going to do it, you may as well do it in style – and didn't want to be too exhausted for them. There were a few women in the bar, but I had no interest in romance on this trip, I merely needed a bit of R&R.

Well, that was my thought process until the moment I saw Mishka the following morning, when she came to collect me from the spa reception for my massage. She was blonde, from Russia, and extremely cute. She was chatty – her English was pretty good and it was endearing when she got it slightly wrong. If she noticed me getting a hard-on during my rub-down – which I absolutely did, more than once – she seemed to ignore it. I guessed it was an occupational hazard and she was just being professional.

SHEER DELIGHT

Dear Mayfair,

Like most men, I suspect, I've always had a thing for the sight of a pretty girl in sheer hold-up stockings, and so I'd just like to drop you an email to say thanks for the pictures of Penny Lee in your latest issue. With her natural curves and a very simple lingerie combination she epitomized the understated magnificence of a beautiful woman who knows exactly how to emphasize all her God-given assets. No wonder she's admitting herself in the mirror in the picture at the bottom of page 76 – if I looked anything like that I'd probably spend a good bit of time in front of the mirror as well!

Lou, Aldershot.

Flirting with her was fun while it lasted, but I had three other treatments booked, including a facial and a pedicure, so I forgot about her.

Well, that was, until the afternoon. I was sat in my robe, drinking some detox carrot blend, when she walked by and said hello,

smiling her beautiful smile. It turned out she lived in the staff quarters, on site. I couldn't help myself and asked her if she fancied having dinner with me that evening when she finished work, but she turned me down, saying that the policy on staff socialising with guests was that it was

Dear Mayfair,

I've loved your magazine ever since Volume 15 Number 1! And I've calculated that in another 33 issues Matt Berry will have been the editor of this publication for a full decade, having taken over on Volume 44 Number 12 back in 2009. And believe me, with time travelling this fast that isn't going to take too long to come around – I swear that planet Earth is spinning twice as fast as it used to!

Anyway, with the current Editor I haven't got one single complaint. I'm dying to slag him off, but I can't, the lucky old sod who's in charge of *Mayfair*! Every Editor who's controlled *Mayfair* has known that this publication is unique, and Matt Berry's upheld this tradition. There's nothing wrong with a change sometimes, but start messing around with *Mayfair* and it will come back to haunt you!
Graham, Cornwall.

Ah shucks – thanks Graham! I've come over all bashful, but really *Mayfair's* success or otherwise has got nothing to do with me – it's all about the girls who've graced our pages over the years! Blimey, was it really 2009 when I took the reigns? You're right, the Earth must be spinning quicker than it used to... Ed.

strictly forbidden. I tried to persuade her, telling her that it would be our little secret, but she smiled sexily and shook her head. I admit I was a bit gutted – she really was stunning – but admitted defeat and told her that I would miss her company.

After eating alone in the dining room and having a few drinks at the bar, I turned in earlyish that night – massages and steamings were exhausting, it seemed! I was settling down on the bed in my boxers with a book, when I heard a knock at the door. I opened it, to find Mishka standing there in a spa robe, much to my astonishment! I must have hesitated a second too long, as she asked, "are you going to let me in before I am seen, then?" and pushed past me into the

room. I admit being very glad I hadn't pulled anyone from the bar that evening! I shut the door behind her and, when I turned around, she had shrugged off the spa robe to reveal a sexy pink negligee and matching thong. I was surprised to see her, but oh so glad! Getting kicked out on my arse in disgrace for cavorting with a member of staff would have been worth it, after seeing her in that get-up!

I grinned like a fool and asked if she wanted a drink. She shook her head no, and instead sat on the edge of the bed. I wandered over to her and we snogged, her tongue snaking inside my mouth to explore. My hands immediately ran over her shapely figure, unsurprised that she felt as toned as she had looked through her uniform when she was massaging me. Her hands, however, went straight to my boxer shorts, tugging them down and grabbing hold of my cock, saying she'd been dying to touch "him" since that morning.

As she caressed my dick and cupped my balls, I shoved one hand inside her knickers, relishing the juices that flowed between her pussy lips. We stayed like that for a few minutes, both fondling the other as our breathing got heavier, until she finally pushed

my hand away and bent over the edge of the bed, pulled her knickers to the side and said, "I would like you to fuck me now, please," in her sexy accent.

I was not about to argue with that – well, who would? – so I

moved in behind her and positioned my rock-hard cock at her pussy entrance, before sliding inside slowly, letting out a sigh as I did. She groaned, letting out a little scream as I slammed in down to my balls. When she got going, she couldn't keep quiet. When I fucked her fast, she gave little squeals, then when I slowed down to grind deep, it was a loud "Aaah...!"

**SHE WAS SQUIRMING
HER ARSE HARD
AGAINST MY CROTCH,
LIKE A BIG WARM
PEACH.**

When I ran my hand down over her belly and cupped her mound, she got excited, and the squeals became louder as I frigged her clit. She was squirming her arse hard against my crotch, like a big warm peach, twisting then bucking as she came. Her knuckles were white as she clung to the bed, but when I eased off she told me, "Harder." Six or seven good thrusts into her sweet, tight snatch and she was done.

I wasn't quite finished yet, so I told her: "He needs sucking." She twigged that I was taking the piss and gave my balls a squeeze, then moved between my thighs, licking my wet prick. She kept on sucking and releasing it, taking me in a little deeper each time until my helmet was grazing the back of her throat. Then she gave me the works.

I have no doubt that she'd have swallowed and I'd have loved it, but temptation got the better of me. I told her to shut her eyes while wanking me, and I aimed at her pretty face. I blew my load all over it, watched her smear and rub it in with my helmet. Then I took great delight in telling her it was called a facial. She laughed and said, "like in the spa!"

I had a fantastic weekend – but sadly no more Mishka, as Sunday was her day off and I left on the Monday morning. The treatments were great, but a warm clay body wrap didn't compare to her warm mouth wrapped tightly around my cock. But we both got ourselves a facial that Saturday, however, I enjoyed hers much more than mine!

Jackson, Horsforth

ANNETTE PROFIT

Dear Mayfair,

As a student I am constantly surrounded by loads of young attractive women who are absolutely gagging for it. Don't get me wrong, I love to cater for their needs but last Sunday showed me the wonders of the older woman.

I was in a local pub with some of my housemates watching the footie and enjoying a few leisurely pints in preparation for the busy week I had ahead of me. While I was at the bar a middle-aged woman wearing a skirt that ended just above her knees and a red cardigan approached our table, and sat in the seat opposite mine.

When I returned to the table my mates were chatting away with the woman, who was called Annette. My full attention was

**"SHE WANKED MY SHAFT UNTIL IT WAS
FULLY ERECT AND BEGAN TO SLOBBER
ALL OVER MY MEATY PRICK."**

gradually drawn to this stranger rather than the football as she told us absolutely everything and anything about herself. She asked me if I was single and I lied by telling her I was. She touched my knee under the table saying, "I can see mischief in your eyes," and sliding her hand further up my thigh added, "but that's not necessarily a bad thing, meet me outside in a few minutes".

After finishing our drinks, we made our excuses and left within a few minutes of each other. We then met up outside the front of the pub and we made our way to her house, which was only a ten minute walk away.

I followed Annette up the garden path with the daddy of all hard-ons and when we went through the front door I was pleased to see Annette was just as eager as I was. She closed the door behind me pushing me up against it and grinding her pelvis into my crotch. "I wanted to fuck you in the pub," she whispered in my ear as her hand plunged down my jeans to my cock.

Stroking it with one hand and undoing my belt with the other she was soon on her knees licking the tip of my bell end with her tongue. She wanked my shaft until my cock was fully erect and began to slobber all over my meaty prick.

She started to take it deeper in her mouth, getting nearly all of it to the back of her throat. I was so turned on at the thought of a woman twice my age between my legs and I pushed her head down deeper onto my cock. By this time

She might only be on the small side, but Felicity Hill's certainly got enough energy for somebody twice her size – so what's the secret?

"Oh, I don't know – probably dancing, I guess! Get me in the right mood and I could go all night, so I've probably got plenty of spare energy to use up on days when I don't get to do any! I've had a few great holidays when I've spent almost the entire two weeks up all night and then sleeping it off all day – wicked!"

Well whatever floats your boat, although if we went on holiday we'd want to spend the nights rather more horizontally!

FLICK

HOWE LOVELY!

Dear *Mayfair*,

Well, it was definitely worth the wait! After you promised us a spread of Carla Howe some months ago you finally lived up to your word. And even then there was more anticipation, as she didn't even reveal her wonderful boobs until the 5th page of the spread. Still, I'm sure you won't have any complaints over that, because once she finally did show herself off in all her glorious nakedness she looked absolutely flawless. I wonder what she's thinking about in that final centrespread picture, where's she's reclining and dreamily closing her eyes. If it's that she'd desperately love some horny guy to get between those shapely thighs of hers and feast on her sweet pussy, then may I be the first to volunteer my services?

Doug, *Hollyhead*.

I was desperate to see her body and to see how age had treated her physique.

I was extremely pleased when I removed her cardigan to reveal a fine pair of breasts with erect bullet-like nipples just begging to be sucked. I willingly obliged, taking one nipple between my lips and nibbling it softly as she moaned into my ear. "I'm soaking wet for you," she moaned, guiding my hand to her crotch.

I could feel her sopping cunt through her panties and I quickly pulled them down round her ankles to get better access to her moistness. I began to finger her, building up speed and depth, regularly removing my fingers to rub her nub. By now she was so wet and breathing heavily I knew she wasn't far from a climax so I dropped to my knees between her legs, my head level with her meaty lips.

I gently parted her flaps with two fingers and lapped her wetness, relishing her warm juices and sweet vaginal aroma. I buried my face deep into her pussy, probing my tongue further inside her, brushing against her soft vaginal wall.

I let my mouth move her erect clit and began to eat down onto it. She began

shaking as she approached her orgasm, moaning loudly about what a dirty bastard I was.

I moved back up her body, kissing her stomach to her tits and then up her neck to kiss her lips and let her taste her own cunt. As we kissed she took my prick and slid it between her thighs, rubbing it against her soaking twat.

"Come next door," she said leading me

through to the lounge. She positioned herself on the sofa spreading her legs wide in the air, I moved between her legs putting one over each of my shoulders. I pushed my hardness back inside her gaping pussy and took her by her thighs drilling deep inside her. She put her hands around my

back and drew me to her asking me in a lusty voice to give her a hard fucking.

Spurred on by this I pumped her full of my manhood, ramming her mercilessly as she panted and whimpered.

"Ooohhh God!" she moaned, "Mmm, go on, do me harder, as hard as you can!"

I grabbed her tits and held her down on the sofa as I banged her. I could see she was shaking again and I felt I was very close to cumming. I could feel my balls about to burst but I continued to shaft her, making sure she came hard.

As she groaned with intense pleasure she pushed herself deep onto my shaft and in the heat of the moment my cock shot its first few jets of hot cum deep inside her. I then pulled out squirting the remainder of my load, a few streams landing across her face, the rest covering Annette's boobs and stomach.

She leaned over and took my cum covered cock in her mouth, cleaning it while stroking my just lightened balls. "You don't know how much I can thank you, I needed that so badly," she said.

I thought the pleasure had been all mine!

I don't know about you lot, but my first reaction, upon opening and reading a Christmas card, tends not to be slipping off my undies and playing with myself (although thinking about it, it is my first reaction to quite a few other things!) – perhaps I've been getting the wrong sort of Christmas cards all this time, with dull messages about season's greetings and the like...

"Yes, I think it's far more fun to send cards with sexy messages inside!" insists Staci, "at least that's what my fans do and I love reading them and having a fiddle, as you can see!"

Indeed we can!

LINSEY

Age: 38 Vital Stats: 36HH-22-34 5'4"
Photographer: BBM

What is there to say about top-shelf legend Linsey Dawn McKenzie that hasn't already been said before? She's been tenting the nation's trousers ever since she made her topless debut way back in (take a deep breath here) 1994, and she's still got exactly what it takes to do the same today! If only the rest of us could achieve such staying power, eh? The Ed can manage about three hours before he's past his peak, but LDM just seems to have been getting better and better for 23 years! Now what do you think might be the best way to show your appreciation for such a magnificent effort?

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

My boyfriend Mitch and I are pretty adventurous in bed. From the first night we met, we've always enjoyed watching ourselves fuck - in mirrors at first (I was still living in a flatshare when I pulled him and I had a big mirror opposite my double bed), but we soon started filming ourselves to watch back

apart from half a tube of cherry-flavoured lipgloss.

We used the camera on Mitch's phone and he told me he'd make sure he only got the best angles. At first I just wanked his shaft, slow and easy, making sure he was good and hard before I started licking at his helmet, parting my lips wide to make sure they didn't brush it yet.

Then, without giving him any warning, I took his entire length into my mouth. My lips skimmed down his shaft, streaking it with sticky, shiny gloss. I teased him as I licked off every little smear of the stuff, then I rubbed his tip all over my mouth, like I was putting on lipstick, so I could enjoy the fruity flavour as I sucked on his helmet, looking up at both him and the camera through my eyelashes.

When we watched the footage back later, I realised how sexy I looked as I blew him, my lips all pouty around his prick and my cheeks sucked in.

Of course, the horniest thing of all was when he came.

I opened my mouth up wide, so he could see the first jet spurt all over my tongue. He jizzed so hard it actually hit the back of my throat when he emptied his balls in creamy waves - and so much that it started running down my chin. I just couldn't stop staring at myself on the screen - I'd felt it so many times, but actually seeing it was something

else altogether...

We left the phone where it was, so we could film ourselves screw too. I don't know what was more of a turn-on - actually being fucked at the time, or later seeing my boobs jiggle about and my arse thrust high in the air as Mitch banged in from behind, then sitting on him and reaching down to spread my labia with my fingers, giving the camera lens a clear view of him sliding in down to his ball sac, then slipping out again, all glistening and dripping with my juices.

It turned us both on to see ourselves in action on his phone, but one night Mitch surprised me by taking the whole filming thing a step further.

When I returned home from work one Friday evening, I opened the front door of our flat to find him filming me with a proper camcorder he'd borrowed from a mate of his. He informed me that I was going to be his little gonzo star for the night - not that I knew what the fuck the word meant till he told me - and I'd hardly walked inside before he got me to strip off my clothes.

He filmed everything that night - and I mean everything - only stopping to change the battery pack. The only thing he couldn't

I STARTED LICKING AT HIS HELMET, PARTING MY LIPS WIDE TO MAKE SURE THEY DIDN'T BRUSH IT

do was film me sucking his cock in the shower, but he kept the camera dry by watching me pump my own pussy with a big dildo, after I'd soaped myself up.

By far the horniest bit of footage of that whole night was when he filmed himself fucking me up the arse. We've always loved talking really filthy, and his running commentary was such a turn-on. I've always loved the anticipation of being screwed from behind - never knowing exactly when his cock will touch my backside or pussy. But having him tell me just before he did something sent a big buzz through me - especially as he was playing a sort of role, acting like this was just a job but that his hard-on was getting the better of him. Even when we'd use the mirror, I'd obviously never seen myself getting shagged anally in close-up before, so viewing it later on was incredible.

I've got quite a sexy little bum, and seeing my cheeks all splayed and peachy as Mitch caressed them with his free hand, well, it wasn't any wonder he was rock hard! I'd get a quick glimpse of his prick as it bobbed into view, and then he focused on it as he started to wank it against my crack.

He used his helmet to scoop up juices and rub them into my puckered hole, but then he squeezed a big blob of lotion on it too,

later. It's the biggest turn-on ever, seeing my man shagging me - and the pleasure all over my face.

The first time we ever filmed ourselves, I was a bit nervous about not looking too awful, so I spent ages putting my hair up in two French plaits with cute little sparkly slides, and doing really natural make-up

to make it really slippery. I felt his fingers disappear right down to the knuckle, teasing and opening me up, and when he positioned his prick at my arse opening, it was like I was actually feeling it all over again. I know I let out a little moan as he pushed in gently but firmly, his whole shaft suddenly slipping in as his helmet penetrated my hole.

He fucked me slowly, stirring the lotion and juices into a creamy froth. Soon I was opened up enough that he was able to pull all the way out for a couple of seconds then plunge straight back in again, down to the hilt. And, when I moaned that I was coming, he pulled my cheeks further apart and began plunging deep inside my anus. Then the second he felt the first pulse of orgasm hitting me, he pulled out so he could film my anal muscles rippling as I climaxed.

After that, he didn't mess around – he fucked me as hard and fast as I could take, until he was on the point of coming, too. I love the feel of him losing his load up my bum, which he usually does, but this time he pulled out, laying his hot, wet length along my crack. He reached down to give his balls a rub, which emptied all the spunk out of them, and all over my bumhole. I was so glad he did, because when we watched it back later, that was my favourite bit of the whole footage!

Mitch has suggested that we upload some of the footage to a porn site, so we can get off on

other people enjoying our films. Or we might even get someone else in to film us – maybe a like-minded couple that can add even more to the fun. I know Mitch would love to see me fuck another bloke and definitely another woman. I'll keep your readers posted!

“THE HORNIEST THING OF ALL WAS WHEN HE CAME. I OPENED MY MOUTH UP WIDE SO HE COULD SEE THE JET SPURT OVER MY TONGUE.”

Generally speaking I don't sleep with guy on a first date. Especially when I'm pretty sure that there isn't going to be a second date. I'd been so looking forward to dating Martin – he seemed perfect and he knew what he should do with a girl on a date; he'd wined and dined me; made me feel special and even managed to hint at a romantic streak but there'd been something missing. There was no spark, no sexual chemistry and we were both trying to hide the disappointment at the end of the night as he did the gentlemanly thing and walked me home.

“So, do you have another date lined-up? With someone else, I mean?” he asked, after we'd been walking in sober silence for a few minutes. The question caught me off guard.

“I wish,” I snorted, then realised how that must have sounded. “I'm not like that - a serial dater.” I was flustered but as the silence descended once again, I took a moment to gather my thoughts. “I had hoped that this might lead somewhere.”

“Me too,” he said, with a note of regret. The silence returned again. “I had hoped that I'd at least get to lick your pussy.”

Gobsmacked, I let out a gasp of indignation.

“I beg your pardon?” I said, fully aware that I sounded like a maidenly aunt.

Martin shrugged and gave me a lopsided grin before he continued. “I'd like to lick your pussy – you know: oral sex. Make you come.” I laughed at him; at the shockingly casual manner of his revelation.

“I bet you would.”

“Obviously, it's not going to happen now – but I'm serious,” he said, ignoring my reaction. I stopped laughing when I saw the earnest look on his face.

“A girl needs advance warning before she lets a man down there.”

“How much warning?” he asked smoothly. I couldn't believe this was the same man I'd spent an uncomfortable, awkward night with.

“That depends on whether you mind it being a bit prickly.” I was

being deliberately flirtatious, knowing that I was giving him an insight into my most private place. He picked-up on it immediately.

"You shave your pussy?"

"Yes."

"Landing strip or triangle?"

"Totally bare."

"I love totally bare," he said, taking my hand in his and squeezing. His touch was electrifying. My head was swimming, even before he dragged me to a halt, using his free hand to tilt my chin before kissing me on the lips. I felt my body arch into his as

MY CLOTHES CAME AWAY AND HE NUZZLED INTO MY NECK AS HE PUSHED ME DOWN ONTO THE BED.

he pinned my hand behind my back and held me in place. Masterful, powerful – could he make this moment any better? He could: the first kiss was a gentle one on the lips, but he followed it up with something much more passionate.

"I've been wanting to do that all night," he whispered as he pulled back from me, his eyes still closed. We were locked together

for a long moment, as though our bodies had become magnetically charged. He was keeping me there but I didn't want to move anyway; I didn't try to get out of his grasp – there was nowhere I'd rather have been.

I'd just about regained my composure when he opened his eyes. They were still the same piercing green, but there was something new, something he'd been hiding from me – lust. "I want to fuck you."

lustful for more. Bubbling with excitement, I guided him to my home, trying to process what had happened in the previous minutes. How had we got from boredom to bedroom?

It's normally a nervous time when I get naked with a new man but it

was easy this time, knowing how much Martin wanted me. He was wearing the biggest grin imaginable as my clothes came away and he nuzzled into my neck as he pushed me down onto the bed. I was going to let him have me – on our first date. The thought made me feel slutty and wanton. "I love your perfume," he said, kissing the spot where I had sprayed my neck earlier in the evening. A giddy shiver filled my stomach as I saw my work clothes hanging on the back of my chair topped by my dirty knickers – I never imagined that

"I know."

"Will you let me?"

I'd never had a man talk to me like that before; be so open and honest about what he wanted. There had been no pretence at civility. He hadn't asked to 'come back to mine' or said the wanted to 'make love' to me or any of the other euphemisms used to mask a request for sex. He wanted to 'fuck' me, plain and simple. My mind filled with sweaty bodies rutting against each other. I wanted it too.

"Yes," I said, my voice sounding unexpectedly sultry. He kissed me again, only this time like a lover, and as his tongue touched off mine it caused teasing shocks of pleasure in my pussy. He'd made me extremely horny and

there.

"You're trembling," he said. I hadn't noticed but he was right - I'd lost control of my body. "I love being inside you." It was as though he'd whispered the words straight into my body. It arched for him as I groaned. Oh God, it felt so good. But why was he holding still? It'd feel so much better if he'd just slide that big, hard cock in and out of me. If he'd just fuck me as he'd told me he would. But he just stayed there, motionless, holding me in place. Then I got it - it was like the kiss - he was controlling me. Two could play that game:

I looked into his eyes and clenched my pussy muscles, taking a tight grip of his cock.

"Please don't do that," he said, with a strained look on his face. "I'm a big fan of coming, but if I do it now I think we'd both be disappointed."

"You're not teasing me?" Martin seemed stunned by my question and then started laughing. I've never had a man laugh when his cock has been inside me before.

"Teasing you? Is that what you thought I was doing? My cock was so amazed to be

allowed inside you that it was eager to pop its load instantly before you realised your mistake."

"Do it," I said, without thinking about what I was saying. Something primal had taken control of me.

"Do what?"

"Come inside me," I said, pushing my crotch back and forth, sliding my pussy over his cock; such tiny movements but so rewarding... for both of us.

"I'm gonna..." I felt his cock jump inside me and his body stiffened as he gave a strangled cry. He was pumping his spunk into my vagina and I instantly dropped my fingers down onto my clitoris and rubbed frantically. The pressure and speed combined with the naughtiness of masturbating in front of my new lover quickly took me to as violent a climax as

"I LOOKED DOWN MY NAKED BODY AND SAW MARTIN'S COCK JUST AN INCH AWAY FROM MY PRICKLY PUSSY."

I could remember. The rush of ecstasy burned me and cleansed me and left me trembling again - this time with satisfaction.

He rolled onto the bed beside me. There were no words but neither of us were able to wipe the grin off our faces and we lay until our body heat began to cool, and we had to climb under the covers to keep warm. I shivered as I thought about how close I'd come to letting him go. As first dates go, this one was definitely a winner.

I might have company tonight. Company; Martin's lips worked over to mine and a delicious warmth filled me from deep within my core as he kissed me again; it spread into my limbs and my chest and into my pussy.

My heart thumped with excitement as I looked down my naked body and saw Martin's cock just an inch away from my prickly pussy. He was so calm, so assured as he dropped his cock down and into me. My fingers gripped his flanks, pulling him down, urging him deeper. I spread my thighs and lifted my hips with an urgency that hadn't been there until that very instant. "Fuck me. Please," I begged. He ignored me, sliding his cock into my depths and holding it

■■■■■■■■■■

Rather like Lord's after a particularly pleasing cover drive has trickled over the boundary, there was a discernible murmur of approval around the *Mayfair* office when East Midlands lovely Lauren Louise made her debut in the magazine back in the spring. Yes, she's got pretty well everything we like and when that's the case we're more than happy to show our appreciation.

"To be honest I'd like to think I could provoke more than a murmur of appreciation!" she bristles, not unreasonably. "After all, I am taking all my clothes off here!"

Oh alright, you gave us the raging horn as well!

Busty Bridgette B's a bit of alright, isn't she? She must find herself beating guys off with a stick when she's out and about...

"Not really, no! I think a lot of the time they're a bit intimidated, so the only guys who ever try and chat me up are the really cocky ones, and generally speaking I can't stand those types!"

Oh, so does that mean you're going without? What a terrible tragedy that would be!

"Well no - it's just that I often have to make the first move. It's usually pretty easy, really!"

We bet it is!

□□□□□□□□

Phew – we’ve just about left space to introduce one more British newbie this issue, so without further ado, here’s Katy Jayne, a busty beauty from the midlands who’s crazy about cats, cars and... cocks!

“Ha - that’s true, although not necessarily in that order!” she grins. “Yes, cats probably do come first, but after that I’d say I prefer a nice sturdy cock to a flashy car, although if a bloke’s got both, then so much the better for him – and me!”

Hmm, so a flashy car and a sturdy cock, eh? Perhaps I ought to buy a cat...

CHLOE

Age: 23 Vital Stats: 32B-27-37 5'3"
Photographer: BBM

Simon, Cabbage Patch Dolls, Buzz Lightyear, Furbies – there have been plenty of must-have toys over the years that have fallen from favour after a season or two, but there's one toy out there that we're pretty sure everyone in their right mind would love to play with – Chloe Toy!

“Well, maybe that's true! I'm squarely in the Furby generation when it comes to those toys myself, though – I think I had three at one point! But what the hell's Simon?”

Oh, it was a sort of disc with four coloured lights on the top that you had to press in the right order.

“Wow, that sounds like fun.”
